

Dr. Henry Lee, BDS, MDS

Personal Intro

Dedicated and detail-oriented General Dentist with a Master of Dental Surgery, committed to providing high-quality restorative and preventative care through evidence-based practices and advanced digital dentistry techniques.

Academic Profile

- **Master of Dental Surgery (MDS) in Restorative Dentistry** | University of Hong Kong (HKU) | **Sept 2023 – July 2025**
- **Bachelor of Dental Surgery (BDS)** | King's College London (KCL) | **Sept 2018 – June 2023**

Work Experience

Clinical Experience

- **Associate Dentist (Full-time) | Quality HealthCare Dental Centre**
 - Duration: Aug 2025 – Present (8 Months)
 - Perform comprehensive oral examinations, complex extractions, and endodontic treatments for a diverse patient base of 40+ patients per week.
 - Utilize CAD/CAM technology (CEREC) for same-day crown preparations and digital impressions, improving patient turnaround time by 20%.
 - Collaborate with oral surgeons and periodontists to develop multi-disciplinary treatment plans for full-mouth rehabilitations.
- **Junior Dental Officer (Full-time) | Prince Philip Dental Hospital**
 - Duration: July 2024 – July 2025 (1 Year)
 - Managed acute dental trauma and emergency triage in a high-volume hospital setting, ensuring rapid stabilization and pain management for patients.
 - Supervised undergraduate dental students during clinical rotations, providing guidance on local anesthesia techniques and cavity preparations.
 - Rotated through Oral Surgery and Pediatric Dentistry departments to broaden clinical scope.
- **Dental Intern (Internship) | Guy's and St Thomas' NHS Foundation Trust**
 - **Duration: June 2022 – Sept 2022 (3 Months)**
 - Assisted senior consultants in oral maxillofacial surgeries and participated in community outreach programs providing preventative screenings to underserved populations.

- Maintained meticulous electronic health records (EHR) and ensured strict adherence to sterilization and cross-infection control protocols.

Core Skills

- Restorative & Cosmetic Dentistry (Veneers, Composite Bonding)
